PUBLIC NOTICE

Elections in Wendake on October 30, 2020

Kwe,

Elections will be held this year in Wendake on October 30th. As Director of Health and Wellness, and in the pandemic context, I strongly recommend that all members of the Huron-Wendat Nation who wish to exercise their right to vote favour postal voting.

Indeed, the current situation with regard to the resurgence of cases of COVID-19 in the population leads us to be cautious and to avoid gatherings as much as possible. Note that this health and social context could cause some people to have to isolate themselves for a period of 14 days for various reasons.

It should also be noted that nothing can guarantee that, on the date of the elections, there will be no restrictions in interregional travel (code red) causing people to be refused access to the Capitale nationale region, thus preventing them from being able to exercise their right to vote.

I therefore encourage you to request your voting kit from Ms. Johanne Sioui Couture at the following telephone number: (418) 847-3300 or toll free at 1-833-697-0634 or by writing to her at johanne.couture@cnhw.qc.ca. Please act quickly in order to meet the postal deadlines.

Thank you for your efforts to protect others.

Tiawenhk,

Denis Lessard
Director of Health and Wellness

c.c.: Mr. Paul Grannary, Electoral Officer
