Kwe aweti',

I am very pleased to announce, on behalf of the Conseil de la Nation huronne-wendat (CNHW), that we are launching a public consultation on communications. This exercise will allow us to update our communication policy, but also to improve our various communication tools (website, social media, Yakwennra newspaper, public notices, etc.).

To start, we would like to collect your opinions, preferences and comments regarding our communication tools. Therefore, we encourage you to complete the attached short survey. You have two options to complete the survey:

- **Complete the online version** by going to www.wendake.ca and clicking on "Communications survey" in the public notices (preferred option);

OR

- **Complete the attached paper version** and return it using the postage-paid envelope.

You have until **Monday, June 27th** to submit your answers, regardless of the method being used (online or paper). If you need help completing the survey, you can contact the CNHW reception by phone at 418 843-3767.

Thank you in advance to all those who will take a few minutes to complete the survey. We look forward to hearing from you!

Tiawenhk,

Dave Laveau

Chief portfolio-holder of communications
